

Nobody's a nobody

*Nobody's a nobody
Believe me 'cos it's true
Nobody's a nobody
Especially not you*

*Nobody's a nobody
And God wants us to see
That ev'rybody's somebody
And that means even me*

I'm not a cartoon, I'm human
I have feelings, treat me right
I'm not a superhero
With super-strength and might

I'm not a mega-popstar
Or super-athlete
But did you know
I'm special
In fact I'm quite unique
